

HB2443 career; technical education; projects fund (Kern)

- Allows a governing board to include the proceeds from the sale of services provided, in addition to the sale of items produced, to be used in the career and technical education projects fund.
- Allows money in the fund to be used for expenses related to an approved Department of Education career and technical student organization, including costs associated with events, conferences, or competitions
- Requires all purchases made from the Fund to comply with existing procurement regulations
- Requires all funds in the career and technical education projects fund in excess of \$100k to revert to the school's maintenance and operation fund at the end of each fiscal year.
