

SB1448 schools; required posting; abuse hotline (Mesnard)

- Requires every district and charter school to post a sign in a public area in a clearly visible location of the school readily accessible to students that contains the following:
 - The telephone number in boldfaced type of the Department of Child Services (DCS) Child Abuse Hotline
 - Instructions to call 911 for emergencies
 - Directions for accessing the DCS website for more information on reporting child abuse, child neglected and the exploitation of children
