

# Coastal Plains RESA Action Plan 2017-2018

**Assisting districts in addressing the needs of all learners through strategic implementation of Georgia standards.**

## SMART Goals:

1. Coastal Plains RESA will build the capacity of school and district staffs to increase the percentage of SGPs 35 and higher in ELA and Math by 3 percentile points per year based on the 2015 baseline. See Table 1.
2. Coastal Plains RESA will build the capacity of school and district staffs to increase the percentage of students achieving the state Lexile targets as shown in Table 2.
3. Coastal Plains RESA will build the capacity of school and district staffs to increase the graduation rate percentage to meet or exceed the 4-year cohort as illustrated in Table 3\*.
4. Coastal Plains RESA will build the capacity of school and district staffs to improve School Discipline Domain Score by 3 percentile points as illustrated in Table 4\*\*. Initiative: increase the number of schools in CPRESA that implement PBIS with fidelity.
5. Coastal Plains RESA will increase the number of contacts with district and school staff by ten percent.

\*(grad rate)

\*\*Schools reaching the 90th percentile need only maintain current score.
