Coastal Plains RESA
Action Plan:
Assist districts in addressing the needs of all learners through strategic implementation of Georgia standards.

2018-2019

Additional courses and support will be added in response to data, requests, and initiatives.

SMART Goals:

1. Coastal Plains RESA will build the capacity of school and district staffs to increase the CCRPI scores (includes ELA & Math) by 3%. (ex: score of 60; 100 - 60 = 40; take 3% of 40; improvement expected)

2. Coastal Plains RESA will build the capacity of school and district staffs to increase the percent (how much?) of schools achieving the state Lexile target. (see revised Table 1)

3. Coastal Plains RESA will build the capacity of school and district staffs to increase the percent of high schools meeting the state target for graduation rate.

4. Coastal Plains RESA will build the capacity of school and district staffs to increase the number of PBIS schools that are designated operational status.
