### New Registrant - Create Your Profile

In order to register for a class you must first create your profile in the database. Once you have done this, you will simply enter your email address and password to register for a class.

To start the profile creation process, enter your email address in the box below and click the Submit button. We will first check to determine if your email address is already in the database. If it is, we will send you an email with a link that will permit you to enter the password of your choice and then update your profile. If it is not found, a profile form will be displayed. Enter the requested information and click the submit button at the bottom of the page.

**Email Address:**

Educators: Please enter your Teacher Certification Number next to your email address. To find your certificate number quickly, go to the GaPSC page at <http://www.gapsc.com>. Find "Check Certification Status."

Non-educators: There is no need for you to include a certificate number.
