

Attachment E:

EMS Vehicles purchased with grant funding must be new-manufactured or a “remount” from reputable dealer.

EMS Vehicles and equipment purchased after 01 January 2010 in anticipation of EMS Vehicle Equipment Replacement Grant award may qualify for this program.

Eligible replacement equipment for this grant includes: the vehicle itself, an ambulance stretcher and appropriate radio communications equipment. Awardees are not required to purchase the additional equipment but can do so as part of the EMS Vehicle Equipment Replacement Grant.
