Duke Debates:

Controversies In The Management of Gastrointestinal Malignancies

February 25, 2017

The Umstead Hotel and Spa • Cary, North Carolina

Duke Cancer Institute

OVERVIEW

This course will examine the optimal management of gastrointestinal cancer, including the role of immunotherapy. Attention will be focused on new advances in treating neuroendocrine, pancreatic, esophageal, anal and colon cancer.

AUDIENCE

This program is designed to meet the continuing education needs of oncologists, physician extenders, and allied health professionals.

LEARNING OBJECTIVES

- Discuss the emerging role of immunotherapy in the management of gastrointestinal malignancies
- Identify molecular testing strategies and approaches for the treatment of GI malignancies
- Debate emerging therapeutic approaches to gastrointestinal malignancies

JOINT ACCREDITATION STATEMENT

In support of improving patient care, the Duke University Health System Department of Clinical Education and Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.

CREDIT STATEMENT

Physicians: Duke University Health System Department of Clinical Education and Professional Development designates this live activity for a maximum of *6.5 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Nursing: Duke University Health System Department of Clinical Education and Professional Development designates this activity for up to 6.5 credit hours for nurses. Nurses should claim only credit commensurate with the extent of their participation in this activity.

Pharmacists: Duke University Health System Department of Clinical Education and Professional Development designates this activity for 6.5 ACPE credit hours. Universal Activity Numbers: 0851-0000-17-006-L01-P.

DISCLAIMER: The information provided at this activity is for continuing medical education purposes only and is not meant to substitute the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

COMMERCIAL SUPPORT ACKNOWLEDGEMENT: This activity will be supported in part by exhibitor support. A complete list of supporters will be acknowledged at the conference.
