

West Georgia RESA

Fall 2013 Endorsement Programs!

K-5 Math Endorsement

This endorsement consists of 3 courses; two content courses (Number Relationships/Algebra & Spatial Relationships/Geometry) and one pedagogy course (Instructional Mathematics). It is designed to provide K-5 educators with the knowledge and skills necessary to provide quality math instruction to students. The endorsement is offered through a blended format of face-to-face and online classes.

K-5 Science Endorsement

This endorsement consists of 3 courses; two content courses (Life Science & Physical Earth/Space Science) and one pedagogy course (Instructional Science). It is designed to provide K-5 educators with the knowledge and skills necessary to provide quality science instruction to students. The endorsement is offered through a blended format of face-to-face and online classes.

Coaching Endorsement

This endorsement program includes two courses that will have class meetings, online activities, and field-based activities. It is designed for candidates who are currently serving as an instructional coach, teacher mentor, or a mentor for leadership candidates.

Candidates must complete an application and recommendation process.

At minimum, candidates must hold a clear, renewable, Level 4 or above teaching certificate.

Apply soon at:
www.garesa.org

PLUs for successful course completion.

Cost: \$1500
(\$500 per course)
