Right to Know Professional Qualifications of Teachers and Paraprofessionals

Date: 9/26/2017

Dear Parents,

In compliance with the requirements of the Every Students Succeeds Act, the Burwell/GNETS Program would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/or paraprofessional(s). The following information may be requested:

- Whether the student's teacher:
 - has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or other provisional status through which State qualifications or licensing criteria have been waived; and
 - is teaching in the field of discipline of the certification of the teacher.

- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning your child's teacher's and/or paraprofessional's qualifications, please contact me at 706-884-6001.

Sincerely,

Steve Rains, Director
