The Thinking Maps® Training of Trainers (TOT)...

is a process used by schools and school districts for the purpose of developing either a singular trainer or team of trainers for expanding and deepening the use of Thinking Maps® in a whole school and/or within feeder patterns. Thinking Maps® is a **Common Visual Language** for learning within and across the disciplines and grade levels.

Upon completion of the TOT trainers will be able to :

- ◆ Conduct introductory workshops for whole schools or content area groups
- ◆ Lead professional learning communities through systematic follow-up sessions linking Thinking Maps to Literacy in all content areas
- ◆ Model Thinking Maps teaching demonstrations in classrooms
- ◆ Address differentiation strategies for teaching using Thinking Maps in all grade levels
- ◆ Facilitate the development of interdisciplinary applications with Common Core State Standards
- ◆ Lead schools in assessing student learning using Thinking Maps

**Power Point presentations
for Introductory Training**

**Ideas for 5 years of
Follow-up Support in all
disciplines and grade levels**

**Individual License of
Thinking Maps Software**
