

## **JOIN GBT TODAY and you will enjoy the following benefits:**

- **Access to timely, reliable information on current legislative activity and state transportation board meetings...**

As a member in GBT, you will receive regular updates on the latest legislative activity in the state. These updates – provided to members via e-mail – ensure that you are kept informed on the latest transportation news that will directly affect you and your organization. Our website provides links to track current legislative activity on all House and Senate transportation bills. Also, you will receive updates from the State Transportation Board meetings and special call meetings.

- **Opportunities to talk with lawmakers and network with other transportation industry members and advocates:**

GBT brings together transportation advocates at quarterly events. These events allow you to hear from lawmakers and share your views with them in addition to providing opportunities to meet with your colleagues. The quarterly informational meeting will give you more in-depth information on trends and developments in transportation.

- **Access to studies on transportation policy issues:**

GBT provides links to a variety of transportation funding and policy issues, involving all modes of transportation and affecting transportation systems. These reports provide coverage of transportation policy issues, including funding mechanisms and historical financial trends. The GBT website provides links to the latest studies from the Georgia Department of Transportation, the State Road and Tollway Authority, Georgia Regional Transportation Authority and the Atlanta Regional Commission to keep you informed.

- **MORE MONEY FOR TRANSPORTATION:**

One of the most important benefits of belonging to GBT is working with your colleagues to secure additional financial resources for transportation projects. As a member of a strong, statewide coalition, you can make a difference and together we can achieve important legislative victories that will make Georgia's transportation system safer and more effective. We believe that the efficient movement of people and products through Georgia is the economic lifeblood of the state's economy.

### **Membership Dues**

We hope that you will join GBT at whichever level suits your company's budget and stake in transportation for Georgia.

#### **Levels of annual membership in GBT:**

**Associate Level – Up to \$999**
