This section is designed to provide you with an opportunity to share some of your thoughts. Please respond in the space provided. Brief, candid responses are encouraged. *The question area will expand to accommodate your responses. Please use only one sheet in answering these questions.*

1. What do you want to accomplish as a teacher working with students with disabilities?

2. What experience do you have in managing student behavior? Please explain:

3. Briefly summarize your experience with using technology in the classroom.

4. What unique qualities would you bring to our school?

5. What are the three most important skills a student should acquire? How do you address those areas in your class?
