RICHARD TETERS

The Center for Accountable Leaders (TCAL)

"What I Know for Sure"

Motivated by a grant from the Georgia Humanities Council, seven Kennesaw State University students reviewed the life-memoirs of six proven Georgia leaders.

At a town hall in November 2012 each student recounted the life lessons learned from each of the leaders and those values common to the six leaders.

Members of the original student team and their faculty advisors will highlight the town hall experience, and present a vision on how TCAL's life-memoirs can reinforce individual values and the passions of future generations of leaders.

The Presenters for this Program:

Ms. Bailey Zhang
 Mr. Daniel Vehar
 Mr. Gary Walker

Ms. Courtney Lancaster
 Ms. Johnell Woody

Introduction – Dick Teters
Invocation – Dan Israel
