Metro RESA is excited to offer the following events for our member educators. Click on the link below to register. Visit our website for additional opportunities for professional growth.

8/22/2017 [Science in 3D: GSE for K-2 Teachers](#)

9/12/2017 [Science in 3D: GSE for 6-12 Life Science Teachers](#)

8/24/2017 [Exploring Rigorous Mathematics: 8th Grade Geometry & Exponents](#)

9/19/2017 [Exploring Rigorous Mathematics: 3rd-5th Grade Operations and Algebraic Thinking](#)

8/29/2017 [Exploring Rigorous Mathematics: 3rd-5th Grade Number and Operations in Base Ten](#)

9/20/2017 [Exploring Rigorous Mathematics: 6th & 7th Grade Ratio and Proportional Reasoning](#)

8/30/2017 [Exploring Rigorous Mathematics: 6th & 7th Grade Expressions and Equations](#)

9/21/2017 [Pre-Milestone Thinking: Reading \(K-2\)](#)

8/31/2017 [Exploring Rigorous Mathematics: K-2nd Grade Number and Operations in Base 10](#)

9/21/2017 [Science in 3D: GSE for 6-12 Physical Science Teachers](#)

9/6/2017 [Number Talks with Whole Numbers: Building Fluency and Numerical Reasoning \(K-5th Grade\)](#)

9/26/2017 [The 3 Ps in Designing Productive Lessons: Strategic Planning, Promoting Motivation, and Providing Authentic Engagement](#)

9/6/2017 [Science in 3D: GSE for 3-5 Teachers](#)

9/28/2017 [Milestone Thinking: Reading \(3-12\)](#)

9/7/2017 [Number Talks with Fractions and Decimals: Building Fluency and Numerical Reasoning \(3rd-8th Grade\)](#)

9/29/2017 [Using Literacy Strategies to Integrate Content and Deepen Comprehension](#)

Jennifer Serravallo

[Strategies and Structures
for Reading and Writing](#)

2017 - 2018

Calendar of Events

10/10/2017	STEM: Intentional Integration of Science and Mathematics in K-2nd Grades	12/6/2017	Depth of Knowledge, Assessment, and Content Complexity: Meeting the Challenges of Today
10/11/2017	Exploring Rigorous Mathematics: 3rd-5th Grade Fractions	12/7/2017	Depth of Knowledge, Assessment, and Content Complexity: Meeting the Challenges of Today
10/19/2017	Strategies to Support Struggling Readers for K-3 (Series of 3 Courses)	12/13/2017	Using Images to Teach ELA Content (6-8)
10/19/2017	Strategies to Support Struggling Readers for K-3: Conferring	1/16/2018	Exploring Rigorous Mathematics: 6th & 7th Grade Statistics
10/26/2017	A Novel Idea: How to effectively teach a novel in the ELA classroom (3-5)	1/17/2018	Exploring Rigorous Mathematics: 3rd-5th Grade Geometry
10/26/2017	Exploring Rigorous Mathematics: 8th Grade Linear Functions and Models	1/25/2018	Teaching Students to Read with a Pencil, so that They Can Write with a Text: Strategies to Support Pairing Texts with Writing
11/1/2017	STEM: Intentional Integration of Science and Mathematics in 3rd-5th Grades	2/1/2018	Strategies to Support Struggling Readers for K-3: Strategies
11/2/2017	A Novel Idea: How to Effectively Teach a Novel in the ELA Classroom (6-8)	2/7/2018	Exploring Rigorous Mathematics: K-2nd Grade Geometry
11/7/2017	Exploring Rigorous Mathematics: 7th Grade Geometry	2/8/2018	Exploring Rigorous Mathematics: 7th Grade Probability
11/9/2017	A Novel Idea: How to Effectively Teach a Novel in the ELA Classroom (9-12)	2/13/2018	Exploring Rigorous Mathematics: 8th Grade Systems of Equations
11/14/2017	Exploring Rigorous Mathematics: K-2nd grade Measurement and Data	2/13/2018	Let Them Talk: Text Talk to Help Students Think Critically Through Dialogue (K-2)
11/15/2017	STEM: Intentional Integration of Science and Mathematics in 6th-7th grades	2/21/2018	Exploring Rigorous Mathematics: 3rd-5th Grade Measurement and Data
11/16/2017	Using Images to Teach ELA Content (K-5)	2/27/2018	Let Them Talk: Text Talk to Help Students Think Critically Through Dialogue (3-5)
11/28/2017	STEM: Intentional Integration of Science and Mathematics in 8th-9th Grades	3/15/2018	Let Them Talk: Text Talk to Help Students Think Critically Through Dialogue (6-12)
11/30/2017	Exploring Rigorous Mathematics: 6th Grade Geometry	3/21/2018	Strategies to Support Struggling Readers for K-3: Strategy Groups
