

18. We recommend immigration reform that would allow experienced undocumented workers be granted legal status without having to return to their home country.
19. We recommend that the H-2A worker pay for his own visa.
20. We support the reform of the H-2A guest worker program to make it a simpler and economical process for producers to obtain legal workers.
21. We recommend continued support for the Bush Administration Final Rule until federal immigration legislation is adopted.
22. As enforcement of immigration laws has become a priority, the need for increased availability for a legal work force through the H-2A and H-2B program becomes more important; therefore, we recommend opposing any caps in the H-2A or H-2B programs.
- DELETED* 23. We oppose the proposed H-2A cost share program that is pending in the NC General Assembly.
24. We recommend support of a transparent broad based reimbursement program for farm labor procurement expenses for the farmer with voluntary participation.
