This workshop will provide you with more than 50 classroom-ready tools that make it easy to implement Marzano's nine categories of effective teaching strategies.

By incorporating these tools into your daily practice, you can turn your classroom into a place where high levels of engagement and deep learning happen every day.

- Identifying similarities and differences.
- Summarizing and note taking.
- Reinforcing effort and providing recognition.
- Homework and practice.
- Nonlinguistic representations.
- Cooperative learning.
- Setting objectives and providing feedback.
- Generating and testing hypotheses.
- Cues, questions and advance organizers.
