

**Every  
Reading  
Moment**

curriculet

# One reading platform,

## Make every reading moment come to life with Curriculet.

All of your students must read and comprehend a wide range of texts at increasingly difficult levels. From the highly motivated student to the reluctant reader, every reading moment is an opportunity to increase engagement and unlock deeper learning.

---

Now, you can improve reading comprehension with curriculets—a layer of engaging instructional elements that enhance ANY text on ANY device.

---

With our easy-to-use platform, you can simply embed standards-aligned questions, annotations, videos, images and other rich media into any text.

---

Assign pre-built curriculets, edit them, or create your own from scratch—precisely the flexibility and customization that you’ve been seeking.

every reading moment.

## On-demand digital library

Make every reading moment **Relevant**

- The best books at the best prices—thousands of titles with pre-built curriculets at your fingertips—setup is always FREE.
- Looking for contemporary texts? Stay relevant with thousands of the most popular titles from today's leading publishers.
- Keep your tried-and-true lessons in the rotation by adding content into our platform. Simply copy and paste a link or upload a document and you're off and running.
