Times & Locations 9:00 A.M. – 4:00 P.M. RESA Training Rooms

The Platform Sustainability Training will provide district designees with training designed to support teachers and leaders with utilizing the platform. **The training sessions are for targeted audiences.** This training will provide participants with an overview of the TKES and LKES plans and equip them with skills and knowledge on how to maneuver the platform, and best practices to support training within their district. In addition participants will acquire the knowledge and skills to create reports, create accounts, maintain accounts, and assist with basic troubleshooting.
