The best content
for every reader

Engaging instruction,
right inside the text

Meaningful data
at every moment

USA TODAY is now available through Curriculet

Keep your classrooms current with a fresh batch of articles digitally delivered to your students daily.

Built-In assessments on every article

Every article features leveled, in-text assessments differentiated for elementary, middle and high school—the perfect companion for any discipline.

News that doesn't stop for breaks

For just \$4.99/student, our exclusive 52-week digital subscription delivers daily news and assessments throughout the school year AND the summer.
