NEMACOLIN
WOODLANDS RESORT

The Lodge at Nemacolin Woodlands Resort harkens back to its original founding as the hunting retreat of Willard F. Rockwell, a Pittsburgh business titan. His guests would spend the day in the highlands hunting, fishing and foraging, returning to the warmly rich accommodations to enjoy family, friendships and fireside festivities. Today, The Lodge celebrates its historic beginnings and honors the timeless hunting lodge experience.

Have the Time of Your Life

Life Experiences. These are the things you've always wanted to do, but just didn't have the access or the time to do them. At Nemacolin, we bring those experiences to you. From off-road driving, animal safaris and zip lines to fine-dining, spa treatments and golf, the only thing missing is the ocean... but we are working on that. The vision and dream have been realized, so we strive each day to bring something new - something fresh - to your experience. And if there is anything we can do to be of additional service, please ask.
