## President's Message: *Executive Committee Update*

It is my sincere desire to be able to provide you with monthly updates regarding our progress on the Executive Committee and the management of our Association. We have been busy! First let me say what a great day February 13<sup>th</sup> was for SC Optometry. We had our legislative appreciation lunch and coding seminar which was a huge success. Over 80 ODs were in attendance and over 90 legislators came to our lunch reception. We must all thank James Vaught, O.D. and Lori Donovan, O.D. our Legislative Committee Co-Chairs for their dedicated efforts to help organize this event for SC Optometry. We must also thank Richard Davis and his staff at Capitol Consultants, because the level of success would not have been achieved without their expertise.

Legislators told me, other Executive Committee members and Richard Davis (on separate occasions), that they had never seen so many of their colleagues together at a similar event. Thanks to the team efforts of your colleagues, your Executive Committee, your Legislative Committee Co-Chairs and most importantly Richard Davis and Capitol Consultants.

Let us continue to improve and grow this annual event, and please remember what Wayne Cannon, O.D. has always stated, "It is by legislation that we are allowed to practice. It is by legislation that we can cease to practice. It is by legislation that determines on who we practice. It is by legislation that determines our scope of practice. It is legislation that determines how much we get paid to practice."

Here are some of our initial accomplishments that have been possible with the help and guidance of Capitol Consultants. We were able to take over the Annual Meeting management five weeks before the event and had one of the most successful meetings in years. There is an ongoing process of organizing the SCOA office and accounting systems to increase efficiency and save the Association money. We have been able to discontinue certain contracts as they duplicated services Capitol Consultants expertly provides with no additional outlay of expenses, which has saved the Association thousands of dollars. As you are aware, we have redesigned the Delineator, are in the process of upgrading our website and have increased the number of hours (8:30 a.m. – 6:00 p.m.) that SCOA staff is available to you.

If you ever have any questions or concerns, please don't hesitate to pick up the phone and give me a call.

Regards,  
Peter

*Dr. Peter Candela, SCOA President*

## The Latest Member News!

Best Wishes to **Dr. Amy Brown**, of Central on her marriage to Joseph A. Pilgram, December 29, 2007.

Congratulations **Dr. Alva S. Pack, III**, of Spartanburg for qualifying for the 2008 Optometric Recognition Award.

Way to go, **Dr. Jeff Magun**, of Greenwood, who took and passed his First Degree Black Belt test in December 2007. Dr. Magun also competed in the Dixieland Nationals in Irmo, SC in August 2007 and took 4th place in the 35+ age Brown Belt Category. Dr. Magun is 66 years old and has studied American Freestyle Karate for 3 years.

Well wishes to **Jane Branch, wife of Dr. Bob Branch** of Irmo, who is now undergoing cancer treatments. Jane has been an extremely involved member of the Optometric family throughout the years. Besides working along side her husband, she has lectured extensively at state and regional meetings. We all have you in our prayers.

**James F. Hill, III**, of Georgetown, SC and graduate of the Citadel, was elected President of the American Optometric Student Association. He currently attends the University of Alabama-Birmingham School of Optometry and is a third year student. The AOSA represents over 5600 students in the U.S. and Canada. As President, James will preside over the Board of Trustees and the Executive Council and is responsible for leading the development of the organization. Other duties include traveling to many national meetings and numerous speaking engagements.

## SCOA 2008 OD Rally - Great Success!

Third Annual OD Rally - February 13, 2008

This year's Legislative Rally in Columbia was a HUGE success. The SCOA had 87 ODs attend the Rally. The day began at the Blatt building with a panel discussion of legislators that consisted of Representatives Leon Howard, Thad Viers and Bob Walker. They participated in a lively dialogue of questions asked by fellow ODs. Lt. Governor Andre Bauer stopped in and addressed the crowd on the importance of communication with their legislators and praised the SCOA for their strong presence at the State House. Ms. Bz Giese, with the SC Department of Health and Human Services gave a brief report on Medicaid. Afterwards the group crossed the grounds to the State House and had the honor of being introduced in the SC House of Representatives. We then headed to the Capitol City Club, where 95 legislators joined us for lunch. After lunch each legislator was presented with a gift bag. For those legislators not in attendance, a bag was hand delivered to their office. The only slight inconvenience was we needed more seats at the luncheon to accommodate the crowd of legislators. What a great problem to have! The day ended with a Coding Seminar presented by Dr. Chuck Brownlow.

THANK YOU Capitol Consultants for organizing the event and as usual, for being on top of your game. THANK YOU to each OD who took time out of their practice to support our wonderful profession. Our Association is strong legislatively because of your time, efforts and financial support.

Thanks, Lori Donovan, O.D. & James Vaught, O.D.

# In Memory

Dear Colleagues:

I would like to take a moment in remembrance of a true asset to the Optometric Community, Dr. Harold Vigdosky. For those of you who did not have the pleasure of knowing our wonderful colleague, he was a gentle giant. A kind-hearted man who exemplified a kindness and sincerity that is often read or heard about, but rarely experience. The world is a better place because of him. He will be greatly missed.

Regards,  
Rosalind Smith, O.D.

Dr. Harold S. Vigdosky

SPARTANBURG, SC-- Dr. Harold Sidney Vigdosky, 61, of 804 Shoresbrook Drive, died Thursday, December 27, 2007, at Spartanburg Regional Medical Center. Born May 9, 1946, in Greenville, SC, he was the son of the late Nathan and Rebecca Cambell Vigodsky. A graduate of Emory University in Atlanta, GA, Dr. Vigodsky received a Doctor of Optometry degree from Pennsylvania School of Optometry in 1972. He had an optometric practice in Spartanburg since 1972 and had previously served on the Board of Optometry. An avid Clemson University Tiger fan, he had been an IPTAY member since childhood and was the statistician for Clemson University Football and Basketball for over 20 years. If anyone ever needed information in regards to any sport at Clemson, they knew to call Harold. In 1999 he received the Bob Bradley Coaches Award. Dr. Vigodsky was past president of the Spartanburg County Clemson Club and on the Board of Directors as well. He received the John Fleming- Grover Henry Lifetime Achievement Award and was the IPTAY representative for Spartanburg County for over 25 years. Harold was also a past president of the Spartanburg Touchdown Club. When not working in his optometry practice or with Clemson University sports, Dr. Vigodsky was also the head statistician for the Carolina Panthers Football team for the last 13 years and also was head statistician for Super Bowl XXXIV in Atlanta.

Dr. Vigodsky was a devoted husband, father, and grandfather. Other than Clemson Football, the Holiday Season was what Harold loved the most. He loved being with family and especially his grandchildren who were his pride and joy.

Survivors include his wife, Gail Prichard Vigodsky; a daughter, Amy Vigodsky Dillard and her husband Cam of Raleigh, NC; a son, Bill Vigodsky of Spartanburg; a granddaughter, Mary Cameron Dillard (5 years old); and a grandson, Nathan Dillard (8 months old).

# SCOA Website

The SCOA website will be having some exciting new changes made to its appearance and user-ability soon. In the coming weeks, there will be a "Member Information" section that will have the past Executive Committee Minutes and Delinators posted for your review. We are also creating Local Society pages that will have information regarding each society leadership and their meeting information.

To access the website, go to [www.sc-eyecare.org](http://www.sc-eyecare.org) and click on **Member Login** in the dark blue bar near the top of page. Currently, your user ID is your last name and your password is your license #. We are in the process of making the member section more secure and will be allowing each member to be able to choose their own password. More information on this will be emailed to you in the next few weeks.

### Ritz-Carlton Lodge Information

Stroll along the secluded shores of Lake Oconee. Just 75 miles east of Atlanta, Georgia, The Ritz-Carlton Lodge, Reynolds Plantation offers guests legendary service highlighted by gracious Southern hospitality. The perfect combination of surreal elegance and outdoor tranquility, our Lake Oconee hotel offers escapes such as fishing for large-mouth bass, waterskiing and canoeing.

Named among the "World's Best Places to Stay" in Conde Nast Traveler's 2006 Gold List, the hotel features:

- 251 well-appointed guest rooms and suites
- 35 acres of picturesque shoreline property on Lake Oconee
- More than 15,000 square feet of meeting space, including 10 meeting rooms
- 99 Holes of championship golf designed by the games greatest architects
- A full-service spa and fitness center

Lake Oconee is the second-largest lake in the state, boasting an impressive 376 miles of picturesque shoreline at full capacity.

Lake Oconee, GA, was created in 1979, via an impoundment of the Oconee River by the Georgia Power Company, in an effort to boost the state's hydroelectric power production capabilities.

Today, Lake Oconee is famous for housing more fish per square acre than any other lake in Georgia, including large mouth bass, bream, catfish, crappie and striped bass hybrids. This serene and secluded escape also offers visitors a wealth of other recreational opportunities, including kayaking, canoeing, waterskiing and 99 holes of championship caliber golf.
