Dear Select Health Provider:

This letter is to let you know that as of May 31, 2011, the Vision Care Group (VCG) will no longer be a part of the First Choice network. The new vendor for routine eye exams and vision care effective June 1, 2011, will be Vision Service Plan (VSP).

If you would like to be a participating provider and continue seeing First Choice members, you will need to contact VSP. If you are already a participating VSP provider, please contact VSP for additional information. Please let them know that you would like to become a participating provider in their Medicaid Network.

**Contact VSP directly at 1.800.877.7195.**

Thank you for your participation in the First Choice network and for your continued commitment to our members. If you have any questions, please contact Tom Sommer at 843.569.4659.

Sincerely,

Peggy Vickery  
Director, Network Management
